

MINIAMP AMP800

Ultra-Compact 4-Channel
Stereo Headphone Amplifier

- Ultra-compact headphone amplifier system for studio and stage applications
- 4 independent stereo high-power amplifier sections
- Highest audio quality with virtually all types of headphones even at maximum volume
- Phones Level control plus accurate 6-segment LED output meter per channel for easy level monitoring
- 2 balanced stereo main inputs with independent Level and Balance controls for individual mixes, selectable for all 4 headphone amplifiers
- Accurate 6-segment LED main level meter for precise level indication of both line inputs
- 2 headphone outputs per channel (front and rear panel) allow a total of 8 headphones to be simultaneously connected
- Parallel Link Output allows cascading of several headphone amplifiers
- High-quality potentiometers and illuminated switches for long-term reliability
- All Mini Series models can be stacked on top of each other to create an ultra-compact signal processor solution
- High-quality components and exceptionally rugged construction ensure long life
- Conceived and designed by BEHRINGER Germany

If you're tracking more than one musician at a time, or if everyone in a group wants to listen to a playback, you need a monitor distribution system. The compact, flexible AMP800 can power up to 8 pairs of headphones and up to 2 different stereo mixes.

Altogether Now

The AMP800 features 4 totally independent stereo high-power amplifier sections, each with dual outputs. You can use the Phones Level control plus the accurate 6-digit LED output meter per channel for easy level monitoring. There are 2 balanced Stereo Main Inputs with independent Level and Balance controls for individual mixes, selectable for all 4 of the headphone amplifiers.

Link Up

If you need to accommodate more than 8 listeners, the convenient Link Out A enables cascading additional AMP800s. Long-term reliability is guaranteed thanks to high-quality potentiometers and illuminated switches, and our ultra low-noise audio operational amplifiers provide outstanding sonic performance.

Great Sound, Great Value

When a recording session calls for everyone's heads and ears to be in the game, the AMP800 is the perfect solution – and a real money-saver! Hearing is believing; check out the amazing AMP800 at a [BEHRINGER](#) dealer near you, or order yours online today!

You Are Covered

We always strive to provide the best possible Customer Experience. Our products are made in our own [MUSIC Group](#) factory using state-of-the-art automation, enhanced production workflows and quality assurance labs with the most sophisticated test equipment available in the world. As a result, we have one of the lowest product failure rates in the industry, and we confidently back it up with a generous [3-Year Warranty program](#).
